

# Game of Floods Redesign Project

December 2nd, 2016

# Game of Floods Improvement Project

- Background
- Proposal elements
- Proposal Deliverables
- JTC Review
- Other Projects
- Recommendation

# Background

## ISSUE:

*While highly successful, the Game of Floods requires a lot of staff time from Marin County and could be simplified and made into a boxed board game to enhance usability*

- Made more dynamic
- Fabricate as boxed game
- Make more generic
- 2017 workshop to publicize
- Total NBWA cost \$7K

# Proposal Elements

Total Project \$7,000 Requested by Marin County

*Design (Request \$5K)*

*Printing (Request \$2K)*

Staff hours (Marin County)

## Timeline

Jan 2017 – Contact with designer --

March – out to county and partners for review

May 2017 –Draft revised game review

July 2017 – Print and distribute to North Bay counties the final games

# Deliverables

*Redesigned elements crafted as a boxed game*

*Games proved to NB county staff*

*Marin County & NBWA staff host a 2017 NB  
workshop to roll out the new game*

# JTC Review

- Share revised game boxes with NBWA counties
  - ✓ Agreed
- Post JTC revised project email reviewed by JTC
  - ✓ Completed
- Develop a regional workshop to help launch game
  - ✓ To be included

# Current Projects
