

Marin RCD Permit Coordination Project

May 5th, 2017

RCD Permit Project

- Background
- Proposal elements
- Proposal Deliverables
- JTC Review
- Other Projects
- Recommendation

Background

ISSUE:

While everyone wants to see restoration happen quickly and efficiently, permitting is often difficult for the land owners and managers.

RCD facilitates many permits by getting pre-approval for specific practices

- RCD is renewing and adding new practices
- Streamlines CEQA compliance
- Looking at expanding geographic scope
- Funds will be used to complete the analytical work by consultants
- Total NBWA cost \$25, 906K

Proposal Elements

Total Project \$25,906 Requested by Marin County

Consultants work

Two outreach meetings

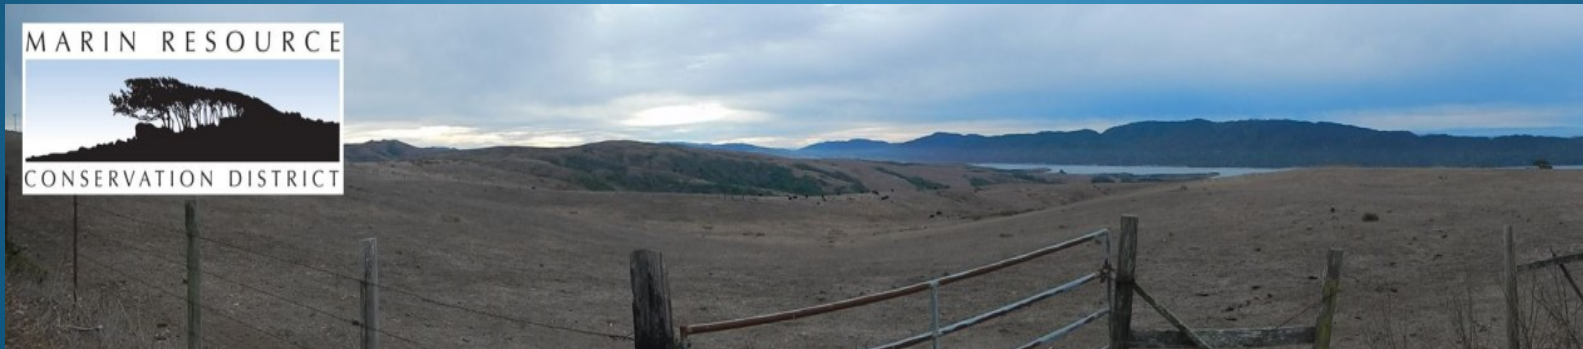

Staff hours (Marin RCD)

Deliverables

Updated Permit Program

Final Administrative Draft Initial Study for the
Marin Permit Coordination Program

w/expanded set of activities

JTC Review

- RCD shared project with NBWA JTC April 26th
- JTC very supportive of project
- JTC suggested adding outreach to other county groups as part of the update
 - ✓ New outreach included

Current Projects

PROJECT		APPROVED
Game of Floods redesign	12/16	\$7K
Shoreline Access Map	10/16	\$10K
